Sir,

Allowances - Tasdik - Institution No.415 - Irmady Gopalakrishna Dev - Havanje village - Udipi - Disbursement of arrears of tasdik without Board's orders.

-- ---

On 26th May 1932 the trustee of the above ---- institution, one Sitharama Aithala put in a petition in which he stated that tasdik due to the above institution had been in arrears from fasli 1328 and that when he applie to the Tahsildar of Udipi, he was paid only the unlapsed portion of the tasdik, i.e., from fasli 1337 onwards. He requested that the balance for the period between 1328 and 1337 may be paid to him. . .I called for a report and ----- found that as the claim had been 14 years old. the Tahsildar's action in having disbursed the tasdik was irregular, without first obtaining the sanction of the Board of ----- Revenue in the matter. I ave drawn the attention of all Tahsildars to the provisions ~~of~~ of Boards Standing Order 67 and have warned them that they will be held personally responsible in future for making good the amounts if sanctioned against rules.

B.S.G.67(1)(7) - p.444 of BSG vol II

As however the above action of the Tahsildar is irregular, I request the formal approval of the Board to readmit the institution from fasli 1337. There are no grounds for paying the balance of tasdik claimed by the petitioner.

Sir,

Allowances - Tasdik - Udipi Taluk - Havanje village - Institution No.415 - Irmady Gopalakrishna Dev - Arrears - Readmission.

Board's Reference B. 4884-32-1, dated 6th September 1932.

******

The last trustee of the institution died in fasli 1328. The petitioner Sitharama Aithala acquired the institution on -- 11.4.1928 on behalf of his minor son by a settlement deed; ---- obtained a sanad from the District Temple Committee on 22.3.1931 and applied to the Tahsildar for payment of all arrears of tasdik on 7.11.1931. The Superintendent, Hindu Religious Endowments (South Kanara and Malabar) informs me that it is a fact that the petitioner had been trying for trusteeship for 3 years before the grant of sanad; but that his petition could be taken up for consideration only towards the end of the year 1930, when the - Committee was vested with the powers of appointing trustees to minor temples.

The institution is reported to be in good repairs and service is being conducted regularly.

(E) Udipi Tahsildar's file L.Dis.18907-31 dated 6.5.1932 and the settlement deed of 11.4.1928 are enclosed.
